

WEB PROGRAMMING COURSE

Fall Semester 2023

INSTRUCTOR: Prof. TAMER ABUHMED
COLLEGE OF SOFTWARE

Assignment 3

Submission format: Submit **HTML** file(s) with other files (CSS, images, js, etc.) used to build the website. All the files should be submitted as a **zip** file.

Name of zip file: {student ID}_{Student name}_assignment3.zip

Example: 2022712837_Frank_Thomas_assignment3.zip

Task Description: A video is provided, which shows the UI of the website to be built. You are required to create a quiz website with a proper style. You can use the questions and answers of your own. Try to make the website the same as the provided UI. If you have any questions, feel free to send messages to TAs. Good luck!

Requirements:

- The code should work without any issues
- UI should be similar to the provided in the video
- CSS style should be written in separate files
- Javascript code should be written in separate files
- Write meaningful comments for logic parts of your code
- Submit a video of your website, which is similar to the video provided

Note: All submissions will be checked for plagiarism.
